5oz (150g) light muscovado sugar	2 eggs

Grease and base line an 8 inch (20 cm) deep round cake tin with greased greaseproof paper. Measure all the ingredients for the cake into a large bowl and mix well until thoroughly blended and smooth. Turn into the prepared tin and level the surface. Bake in the pre-heated oven for about 50 – 60 minutes until the cake is well risen and shrinking away from the sides of the tin. Allow to cool in the tin for a few minutes before turning out and leaving to cool completely on a wire rack.
